

# IN-HOUSE COUNSEL SEMINAR SERIES

Tuesday 8 November 2011

## Cyberspace and the workplace - browsing IT and online issues

This seminar will provide an update on emerging cyber issues and developments

### 1 CPD point in the Legal Knowledge category

Nick Stagg

It's been reported that we're now spending more time online than we do sleeping! The rise of online communications in all aspects of our daily lives is giving rise to a myriad of issues in terms of misuse and abuse of the technology, management and regulation, user policy development and implementation to name but a few.

Ian Curlewis

Lavan Legal partners Ian Curlewis and Nick Stagg will explore the developments and impacts of emerging cyber issues on employee relations, defamation and publication in the business setting.

Phillip Russo

PPB's national director of IT forensics Phillip Russo will provide valuable insights into the significant role being played by IT forensic experts to deal with cyber issues in corporate Australia.
