The
DROWNER

A story of love, passion, madness, death and human frailty

West Australian filmmaker Stephen Van Mil, Impian Films, is producing The Drowner in conjunction with Mel Gibson's Icon Productions. Renowned Australian-based screenwriter John Collee (Master and Commander and Happy Feet) is contracted for the script adaptation.

Lavan Legal is keen to support growth in the Western Australian film industry by assisting Stephen Van Mil to produce the film adaptation of this multi-award winning, Western Australian novel here in WA.
